ABOUT US

Commercial Real Estate Women (CREW) Maryland Suburban is dedicated to furthering the professional development, advancement, and recognition of women in all fields of commercial real estate. Our intention is to foster a community where members exchange information, develop business contacts, and help each other succeed professionally.

Founded in 1987, CREW Maryland Suburban boasts a rapidly increasing membership network. Our membership has more than 1,000 cumulative years of experience in more than 20 qualified fields of real estate, including engineering, law, brokerage, general contracting, corporate real estate, development, interior design, finance, and environmental.

CREW NETWORK MISSION

CREW Network exists to transform the commercial real estate industry by advancing women globally.

CREW NETWORK VISION

We will transform the global commercial real estate industry to be diverse, inclusive and equitable for all, where women have equal access to opportunities, and equal compensation, power and influence.

THE VALUE OF OUR NETWORK

Our chapter reaches over 1,300 CREW affiliates with each chapter communication, and has active platforms on Instagram, LinkedIn, and Facebook to showcase our members and sponsors. CREW Maryland Suburban events focus on business and opportunities within some of the fastest growing markets in our region between Montgomery, Frederick, Howard, and Prince George's Counties.

Our participation with the CREW National Capitol Committee (CNCC) increases our networking and sponsorship reach via collaborative events and advertising with the Washington, DC, Northern Virginia, and Baltimore Chapters.

By becoming an annual or event sponsor of CREW Maryland Suburban, you can open the door to new business and referrals by highlighting your local business on a regional scale.
